Hello, my name is Theodosios, and I am 23 years old. My involvement in the field of information technology has taught me to be patient and calm. I am an organized person, responsible, and with a team spirit; not afraid to lead and take responsibility for my actions. I am motivated, while diplomacy and interpersonal skills allow me to read between the lines. I chose the MSc Management of Technology because I wanted to gain the required managerial knowledge to follow a consultancy career, especially in the IT sector.
